

Head of School's Term 2 Reflection

By Mr. Francis Ssekandi • Head of School

As we conclude the Trinity Term of the 2026 academic year, our learners have shown remarkable dedication across both our Cambridge primary curriculum and our holistic extracurricular offerings. From the early-years discovery rooms at our White Close pre-school to the upper primary science labs on Mbogo Road, our dual-campus community continues to flourish.

ACADEMIC EXCELLENCE & CAMBRIDGE CHECKPOINTS

Stage 5 & Stage 6 Mock Checkpoint Progress:

Our upper primary classes completed their midterm diagnostic assessments in Mathematics, Science, and English with an average cohort attainment rate of 88% exceeding regional benchmarks.

- Mathematics: Stage 5 fractions & equivalent operations mastery reached 92%.
- Science: Experimental investigations in physical forces and plant biology in full swing.
- English: Narrative comprehension and persuasive composition showing creative maturity.

GILL PRE-SCHOOL CORNER • WHITE CLOSE CAMPUS

Early Literacy & Phonics Set 1-2 Milestone:

Our Nursery and Top Class learners achieved full synthetic phonics blending milestones. Through multi-sensory play and constructive block building, foundational numeracy skills have laid a confident bedrock for smooth primary transition into Year 1.

- Seamless campus transition: Nursery Top graduates enjoy guaranteed Year 1 admission.
- Automated sibling tuition discounts applied directly on the new Gill School OS portal.

IMPORTANT: Gill School OS Digital Platform Launch

We are pleased to announce the full operational deployment of portal.gill.ac.ug:

1. Parent Portal: Instant fee statements, receipts, homework trackers, and calendar sync.
2. Supervised Student Accounts: Children log in at /student for homework and digital library.
3. Paperless Admissions: Submit student transfer records, birth certificates & immunization cards.

Access the portal anytime from your smartphone, tablet, or PC at: <https://portal.gill.ac.ug>

THE GILL INSIDER • TERM 2 EVENTS & CALENDAR
